

United States Service Academy Application

**Keith J. Rothfus
Member of Congress
Twelfth District, Pennsylvania**

Dear Academy Candidate,

Thank you for your interest in serving our nation in uniform and attending one of our service academies. These fine institutions have a long history of developing the leaders of tomorrow. Our service academies provide exceptional academic, character building, and leadership development opportunities.

This spring, I will host Service Academy Days in Ambridge at Ambridge High School and in Johnstown at the Greater Johnstown Career and Technology Center. These events will feature representatives from each of the service academies, who will be available to provide information and answer questions about attending these institutions. Members of my staff and I will also be available to answer questions about the nomination process.

The application deadline for a nomination is October 15, 2013 for those interested in attending a service academy beginning in the 2014-2015 school year.

For more information about the service academy nomination process, please visit the website at <https://Rothfus.house.gov/services/military-academy-nominations>, or call the Ross Township office at (412) 837-1361, the Beaver office at (724) 359-1626, or the Johnstown office at (814) 619-3659

Nominating exceptional individuals to our service academies is one of the great honors of being a Congressman. It is a pleasure to meet so many bright, focused, hard-working young people from the Twelfth Congressional District.

I look forward to meeting and working with you during this process. Please do not hesitate to contact me with any questions or concerns that you may have.

Sincerely,

A handwritten signature in blue ink that reads "Keith J. Rothfus". The signature is fluid and cursive, with the first name "Keith" being the most prominent.

Presidential Nominations

Each year the President of the United States may nominate as many candidates as he wishes, however, he is only granted 100 appointments to the service academies. The President's nominations are open to children of career military personnel, which include enlisted, warrant, and commissioned members of regular and reserve components who are on active duty for at least eight years; and military retirees who have received retired or retainer pay. For additional information on this nomination or military affiliated nominations, please call my office or the academy that you are interested in attending.
